RAIN BARREL WORKSHOP

THURSDAY, MAY 23RD, 6:30 - 7:30 PM

At THE WOODS FLX: 6021 State Rte 21, Naples, NY 14512

BUILD YOUR OWN RAIN BARREL!

Alaina from OCSWCD will present the importance of stormwater management and the issues caused to land and water health from pollutants carried by stormwater into our waterways and drinking water sources. Then she will show participants how to assemble their own rain barrels to take home!

The cost is \$30 per barrel. The Naples Brewing Company will be joining us with cold beer to enjoy!
