

# Lake Friendly Living

MAY AWARENESS MONTH

Healthy land, Clean water.

## EXPLORING OUR WATERSHED

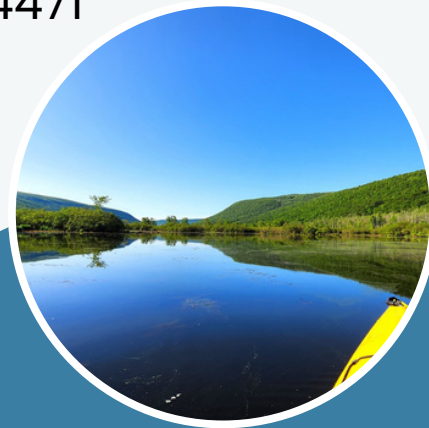

THURSDAY, MAY 23, 2024, 6 - 7:30 PM

Muller Field Station, 6455 Co Rd 36, Honeoye NY 14471

### ***PADDLE, LEARN, AND PROTECT***

Join us on a paddle through Honeoye Inlet focused on land-water-community connections. Participants will gain a deeper understanding of watershed dynamics, including the impact of human activities on water quality, biodiversity, and habitat preservation.

Free event. Registered guests may indicate whether or not they are reserving equipment or bringing their own.

**Alli Esposito,  
Assistant Director &  
Chelsea Gendreau,  
Field Station  
Manager**
