

Lake Friendly Living

MAY AWARENESS MONTH

Healthy land, Clean water.

PLAN REGARDING HEMLOCK WOOLLY ADELGID

MONTH OF MAY

Otisco Lake Watershed

WORKING TO PRESERVE HEMLOCK TREES ON OTISCO!

The mission of the Otisco Lake Preservation Association is to preserve the health, beauty and welfare of our lake not only today, but for future generations. During the month of May, volunteers are encouraged to get involved in the preservation of Eastern Hemlock Trees in the following ways:

- Financing
- Educating landowners on the impact of Hemlock Woolly Adelgid
- Getting signatures of landowners
- Working with DEC and Onondaga Soil and Water
