FILLMORE NATURE PRESERVE POLLINATOR WILDFLOWER GARDEN

SATURDAY, MAY 25 FROM 8AM-1PM

Fillmore Nature Preserve in Sempronius and Summerhill

GPS Location: 42°41'57.3"N 76°20'15.6"W (42.699251, -76.337667)

From Rte. 38 in Moravia, head east on Church St. which becomes Skinner Hill Rd., which becomes Fillmore Rd. Just past the intersection with Dumplin Rd. on the north side is the Nature Preserve on Fillmore Rd., Lick St will be across from the Nature Preserve. Fillmore Road is steep driving up from, and out of, the Village of Moravia. It levels off before the preserve on the left (north of the road).

Attendees will help to establish a pollinator wildflower garden around the perimeter of the public access lot at the Fillmore Nature Preserve.

Wear clothing you don't mind getting soiled, waterproof and supportive boots, work gloves, and water to cover your personal hydration needs. Please bring a shovel, rake, and/or pitch fork, if you have them. FYI, there are no bathrooms on site.
