

Lake Friendly Living

MAY AWARENESS MONTH

Healthy land, Clean water.

NATIVE PLANTS FOR RAIN GARDENS

MAY 28 FROM 5:30 - 7:00 PM

Geneva Public Library, 244 Main Street, Geneva, NY 14456

START A RAIN GARDEN AT YOUR HOME!

Join Pure Waters Association Director Emily DeBolt to learn about native plants for rain gardens. Learn the basics and benefits of native plants, the basics of rain gardens, and how to combine the two! Rain gardens are a great tool for homeowners to help manage stormwater runoff on their own properties. Presentation from 5:30-6:30 with some time for questions after. Advance registration not required but appreciated.

Lake Friendly Living

MAY AWARENESS MONTH

Healthy land, Clean water.

NATIVE PLANTS FOR LAKE FRIENDLY LIVING

MAY 14 FROM 5:30 - 7:00 PM

Finger Lakes Welcome Center 35 Lake Front Dr, Geneva, NY 14456

NATIVE PLANTS ARE BEAUTIFUL AND FUNCTIONAL!

Join Pure Waters Association Director Emily DeBolt to learn about the benefits of native plants. Meet up at the Welcome Center and then we will stroll along the lakeshore park and check out the native plants in the various gardens along the way. We will discuss plant selection, planting tips, maintenance considerations and more! Advance registration not required but appreciated.
